**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Stop taking away our options! Why is it that Koreans can achieve wide spread use of fiber internet and not us?

As a Sonic customer I am satisfied with the alternative option that I have, with the dream of one day having fiber. If you take that away, monopolizing companies will hike our prices and especially as a working student, this is not ok.
